Letter of reference for Stefano Cannas

This letter is to confirm that Stefano Cannas has been working on board Vision (Benetti 60mt, 1008GT – Caiman Island flag) as Head Chef between October 2019 and December 2020.

Stefano is a nice person, sober and with a strong culinary background.

He is a very professional chef proficient in preparing both delicious and well plated dishes for the guests as well as healthy and varied food for the crew.

He likes to source fresh produce which he combines to create nice tasting dishes.
He is well versed in creating both many different types of cuisine and perfectly presented dishes.

I think he can express all his talent on a large yacht where he will have help from qualified sous chefs who allows him to concentrate his efforts on the creations.

He decided to resign for personal reasons.

I am thankful for the time I had the pleasure to share with Stefano and eat his food.

I have no hesitation in recommending Stefano for any Chef position and I am sure he would be an asset to any galley.

Do not hesitate to contact me for any further information you may need.

Sincerely

Roberto Beretta
