To Whom It May Concern

Acting as Mr. D Davidovich Personal Assistant I would like to thank Mr. Stefano Cannas on behalf of Mr. D Davidovich and his entire family.

Mr. Stefano Cannas has been a private chef for the family, friends and guests in their London residence. Mr D Davidovich unequivocally recognized Mr Stefano Cannas as a 'real private chef', commenting on his outstanding services, incredible professionalism, a real master in his craft who puts his soul in his work.

Above all Mr. D Davidovich and his family were really impressed by Mr Stefano Cannas attention to every single detail. He was very attentive, careful and thoughtful: if we had to compare him with any other chef, we can mention that he listens very carefully to all the requests and wishes. His cooking is therefore an appropriate answer to all these requests.

His style of work is very aesthetic and clean, and his cuisine is exquisite.

He is a grate specialist of healthy food. He has his unique way to combine healthy ingredients, excludes unhealthy and keeps the dishes look delicious and tasty, even for guests who like the 'unhealthy' food and do not count calories, nor look at sugar, salt or fat contents.

To conclude, I would like to add that there are two extra important qualities that we have witnessed in Mr Stefano Cannas, those are honesty and integrity.
