Dear Sir or Madam,

It is with pleasure that I write this letter of recommendation for Mr. Stefano Cannas.

During the past summer seasons, I have been Mr. Cannas' direct superior in the management of our Sardinia real estate properties. During this time, he worked as a Chef for our guests. Mr. Cannas is quick at learning, very dynamic and hard-working. He is also passionate at work. He is very willing to take over new challenges and responsibilities.

With outstanding time management skills, he made sure to always deliver his work results, showing up on time for work and demonstrating versatility in any situation.

He also solved a problem when for a period we were understaffed cooking for two villas at the same time.

His communication and people skills are excellent.

I can state with confidence that he is a motivated and responsible person with a high degree of integrity. As such, I expect that he will be a very positive addition to your company.

I can highly recommend him for the opportunity that you have available, because he is able to handle a high-volume workload, is reliable, dedicated and eternally upbeat.

If I can be of any further assistance, or provide you with any additional information, please do not hesitate to contact me at the email address listed below.

Yours Sincerely,

Roberto Garotta
